

PMI Membership provides you with access to tools and information that can help start, build, advance your career in project management.

Benefits designed to support your career growth and success include:

- **New! PDU Advantage Program** — If you're a Project Management Professional (PMP)[®] credential holder, you can earn PDUs to maintain your credential quickly, easily and at no extra cost
- A digital edition of **A Guide to the Project Management Body of Knowledge (PMBOK[®] Guide)** that you can download to your computer
- Knowledge sharing and networking opportunities through **PMI chapters** and newly formed **communities of practice**
- Online access to 250 project management books and articles in **eReads & Reference**
- Articles on the **Knowledge Shelf** on PMI.org, written by your peers and reviewed by a panel of practitioners, to help you practice project management more effectively
- Access to PMI's **PathPro[®]** tool that features a career framework—use it to assess your skills and prepare to move ahead

Quality publications to keep you informed:

- **PM Network[®]**, a monthly publication that covers the project management profession, thought leaders, news and trends
- **PMI Today[®]**, a monthly newsletter focused on PMI news, events, community activities and a column from the PMI Board of Directors
- **Project Management Journal[®]**, a peer-reviewed research journal that advances the understanding of project, program and portfolio management, published quarterly
- **Community Post**, a bimonthly e-newsletter focused on project management knowledge and PMI news

Members receive discounts on PMI credential exams and renewal. You also get discounts on:

- Attendance at PMI's **global congresses** and **research conference**—among the most important events for the project managers and researchers worldwide
- **e-learning opportunities**, including PMI e-SeminarsWorldSM courses and PMI[®] Publication Quizzes, a convenient and cost-effective way to earn professional development units (PDUs)
- Career coaching, a feature of our job-searching site, **Career Headquarters**
- Research and reference services conducted for you by the staff of the **Virtual Library**

And more!

- Insurance benefits (Auto, prescription drugs, home, medical, dental, life insurance, pet insurance, annuities)
- The Project Management Institute Visa Platinum Rewards card offers the following benefits: No annual fee, Low introductory APR and no balance transfer fees for 6 months, 1% cash back
